Professional Summary

Motivated high school student (Class of 2027) with strong food service and customer support experience. Seeking an entry-level retail or warehouse position to gain hands-on experience while preparing for a future career in electrical work.

Experience

Cafeteria Assistant — Arroyo Valley HS
Junior & Senior Year

- Prepared food items and organized serving stations
- Worked serving windows and assisted students
- Managed and restocked inventory; tracked supplies
- Assisted the Tech Academy by diagnosing and repairing student Chromebooks as part of an internship.

Community Service

- 10+ hours assisting school and community events
- Helped tutor lower-level math students

Career Goal

To gain hands-on work experience and pursue training in electrical work through future schooling and technical programs.
